## Summary

Passioned about creating awesome websites and delivering the best user experience.

I started with online courses on Wordpress and later on HTML, CSS, JavaScript, and lately with React, and creating my first websites for friends like portfolio websites and eCommerce.

Now working as a Web Developer is a dream come true and in my spare time working as freelancer projects for local business.

Wants to improve my self as a front-end developer and boost my React skills.

Feel free to contact me at ivo.tsochev@gmail.com and check my GitHub projects on this URL -> <https://github.com/IvoTsochev>
